## Introduction to Sculpture

### Project: Abstract Animal

- Create an abstracted animal using 2-2x4's

Wood, steel

2022

## Introduction to Sculpture

### Project: Metal: Skin It!

- Create a linear armature using steel and add another material to fill in negative space

Steel, fabric

2021

## Introduction to Sculpture

### Project: Void/Volume

- Play with positive and negative space using 1/4" steel rod

Steel

2021

Introduction to Sculpture

Project: Void/Volume

- Play with positive and negative space  
using ¼" steel rod

Steel

2021

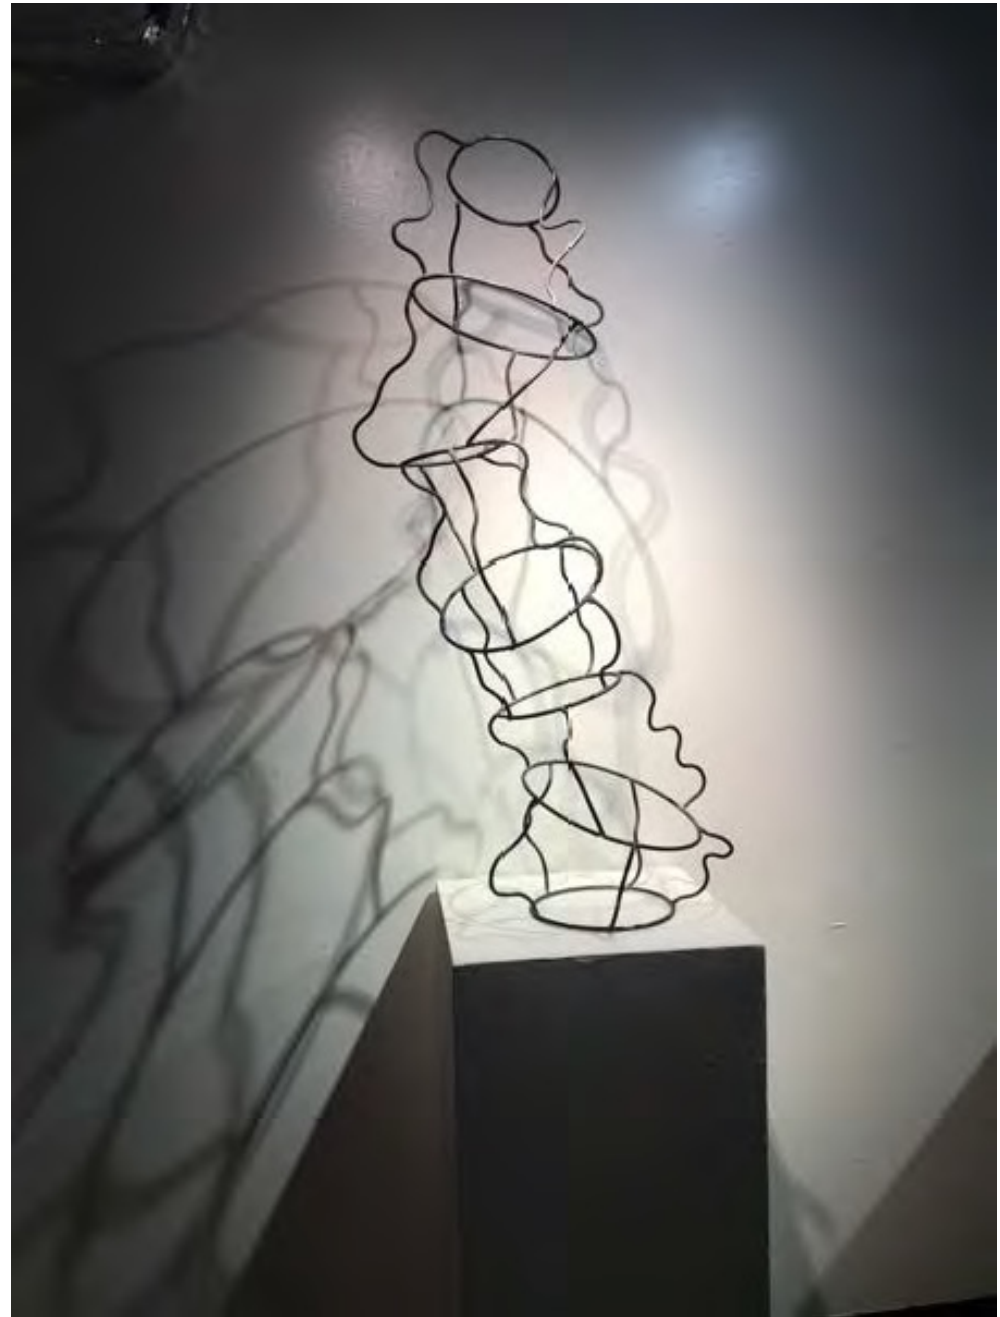

## Introduction to Sculpture

### Project: Void/Volume

- Play with positive and negative space using  $\frac{1}{4}$ " steel rod

Steel

2021

Advanced Sculpture  
• Yin-yang table  
Wood, steel  
2022

## Intermediate Sculpture

### Project: In Conversation With:

- Choose an artist to research, create your own sculpture with their work in mind
- This student chose Alexander Calder

Steel

2021

Introduction to 3D Design

Project: Soft Sculpture

- Recreate an object using soft sculpture a la Claes Oldenburg

Fabric, thread, fiber fill

2021
